

## Product Data Sheet

### **NewPro-Gastro-Cleaner** **- Basic Cleaner for Synthetic Materials and** **Lacquered Surfaces**

#### **Product Description**

NewPro-Gastro-Cleaner is a basic cleaner for synthetic materials and lacquered surfaces.

#### **Range of Application and Use/Appropriate Surfaces**

NewPro-Gastro-Cleaner can be applied as an environmentally friendly remover for the basic cleaning of synthetic materials and lacquered surfaces such as:

- Lacquered surfaces
- Machines
- Synthetic material surfaces.

#### **Product Characteristics/Properties**

NewPro-Gastro-Cleaner is a cleaner based on aromatic hydrocarbons.

Further properties include:

- Easy to apply
- Odorless.

#### **Technical Data**

Adhesive basis:

- Aromatic hydrocarbons, substances which are active on surfaces and auxiliary substances.

Specific weight:

- Approximately 0.98 g/cm<sup>3</sup> (at +20°C).

#### **Instruction for Application and Use**

Application:

Apply NewPro-Gastro-Cleaner to the soiled surface using a spraying device.

After the time required for the product to take effect, wash the loose dirt and grime particles away with warm water.

Caution:

Cleaner is not to dry onto the surface!

## Instruction for Application and Use

### Notice:

This product covers a broad range of applications and uses. It is therefore recommended that a test is made to the surface to determine the suitability and durability of the product to the surface.

### Use:

- Approximately 50 to 200 ml per m<sup>2</sup>.

This is only an standard value, which can vary depending upon the surface thickness and the type and degree of dirt, grime or soiling.

An exact amount of required material for the intened purpose is to be determined with a test application to the surface of the object.

## Required Conditions for Use/Application

For heavy soiling and dirt apply undiluted. Use a 1:30 ratio of product to water for dilution (e.g. maintenance and routine cleaning).

The application can be effectuated with a surface and area temperature between a min. +5°C and max. +30°C.

### Time to Take Effect:

- At approximately 20°C takes effect in approximately 30 Seconds to 3 minutes.

Depending upon the thickness of the layer of soiling, dirt or grime to be removed.

### Cleaning of Tools:

- Clean immediately after use with water.

## Delivery Form

### Units Per Package:

- Units Per Package M with 12 x 1 Litre.

### Color:

- Colorless.

## Special Instructions

### Transport:

- Product is unlabeled and is non-hazardous.

### Storage:

- Can be stored when cool, frost-free in the original closed packaging for approximately 1 year.

## Work Hygiene

Before breaks and at the end working with the product, wash hands thoroughly. Do not eat, drink or smoke during use. Avoid eye and skin contact with the product. If necessary use proper protective clothing while working with the product.

For further instruction, please refer to the product data safety sheets for the product.

## Safety Precautions

Keep away from children. Keep containers sealed tightly closed. In the event of eye contact, immediately flush eyes out with water. In the event of skin contact, wash skin thoroughly with water and soap. Do not smoke during application and use. If swallowed seek immediate medical advice and show the packaging or product label to the treating physician.

For further safety precautions, please refer to the safety product sheets of the product.

## Safety and Protective Measures

The general safety precautions for water solvent materials are to be considered.

The technical advice regarding the use and application of our products is the result of extensive research and development as well as many years of experience, according to the best of our knowledge. The different kinds of requirements of an object, under varying conditions, make it necessary for the user to check the suitability for the intended purpose. We reserve the right to effectuate changes, which serve to affect the technical advance or improvement of our product.

For further instructions, please refer to the product safety data sheets for this product.
