

Product Data Sheet

NewPro biouniversal Cleaning Concentrate

100% bio degradable

The powerful concentrate with natural rhamnolipids dissolves even the heaviest oil films and oil soiling, grease and many others and enables natural, biological degradation.

- ✓ completely bio-degradable
- ✓ made of natural sustainable raw materials
- ✓ without addition of chemicals
- ✓ non-poisonous for humans, animals and plants
- ✓ non-poisonous for fish and Sea creatures
- ✓ dermatologically safe

Application Areas:

Industry, transport and machine fleet, workshops, production buildings, gas stations, craft, nautical science, construction industry, industrial kitchens, catering, drilling operations, cleaning of waters and waterfronts, removal of oil traces and oil stains, road maintenance and fire departments, agriculture, for cleaning of oil and storage tanks, breweries and many more

Application:

Dilute NewPro biouniversal Cleaning Concentrate with water up to **1:300** (see table) if needed.

Apply thin spray mist onto the surface to be cleaned, let react shortly and disperse using a moist cloth, sponge, brush or similar. Wipe off and rinse with water if necessary and let dry.

Advice:

NewPro biouniversal Cleaning Concentrate contains no dangerous ingredients, nevertheless keep out of reach of children. Avoid eye contact. In case of eye contact rinse off with plenty of water and consult physician if necessary.

Product is not subject to labelling.

Packaging Size: 1 Liter; 10 Liter

Mixing Table / E Product with Water / Recommendation

Application:

Mix 1:

Car Wash /manual	100
