

## Product Data Sheet

# Microfiber Cloth HTT 3000 New NewPro High-Tech Cloth 3000! Cleaning without Chemicals!

### Important:

The **NewPro High-Tech Cloth 3000** must be machine washed (60°) before the first usage.

**Use clear water only!!!**

Micro fiber cloths are ideally used when slightly damp. You do not need chemical cleaning agents! Due to its unique structure, **NewPro High-Tech Cloth 3000** dissolves and absorbs even greasy dirt and provides for very thorough but gentle cleaning free of streaks.

Streak-free – without polishing!!!

**NewPro High-Tech Cloth 3000** can be machine washed at 95°C without a problem. Do not use softeners or tumble dryer.

### Performance Guarantee

**NewPro High-Tech Cloth 3000** provides a 1 year performance guarantee under the condition that the care instructions are obeyed and the cloth is neither brought in contact with chemicals nor used on porous surfaces. Warranty claims will only be admitted if the product is returned to us with the original invoice and a description of the problem. We will follow up on all justified claims and deliver a replacement.
